

LIBRARIES AND
FREE SPEECH

Are there books we shouldn't have on our shelves?
Why/why not?

Are there speakers you wouldn't invite to a debate at the library?
Why/why not?

Should our non-fiction collections include books by climate deniers?
Conspiracy theorists? Fascists? Cult leaders?
Why/why not?

LIBRARIES AND
EQUALITY

At your library's events, do you see people
from all segments of society?

Or do they mainly attract certain groups of people?

If yes, do you consider this a problem?

If so, what could you do about it?
